

PYTHIAN

Picnic At The Park To Be A Big Event

Outline Program For The Day Mapped Out

At a recent meeting of the general committee of the four Knight of Pythias Lodges in the county the final arrangements were made for the county picnic, to be held at Hiawatha Park, Wednesday, August 17th.

The Centerburg Band has been engaged for the day, and will act as escort for Hawthorn Lodge. Reports from that Lodge show that there will be quite a crowd come from Centerburg to bring the flag that they won last year, and which they hope to take back with them again this year, if their ball team is successful. The band will arrive at 8:34 a. m. and give a short program on the square and then go to the park and play at intervals during the day.

Wayne Lodge of Fredericktown will have charge of the program in the auditorium and have selected Col. L. G. Hunt to preside at that meeting.

Hawthorn Lodge of Centerburg has charge of all the races, contests, etc., and this certainly will be interesting for they have the reputation of never doing anything by halves in that village, as a number of knights can testify, who received the Oriental degree by the aforesaid brethren.

The day's program will start at 8:30 a. m. at which time Fredericktown and Mt. Vernon play ball. Immediately after this game, Centerburg and Bladensburg will play their game, and then the basket dinner for everybody. At 1:30 p. m. the program in the auditorium, and after the program the different contests will take place. This will be followed by the final ball game between the winners of the morning games, and the prize is a fine large silk American flag. All four teams are confident that they will win out, and the friendly rivalry between them is certainly stirring things up.

The Hiawatha park association has granted the free use of the park base ball diamond, and free admission to the park.

The committee has arranged for the use of a room where baskets, wraps, etc., will be checked free of charge.

The three Pythian Sister lodges of the county have been invited to join the Knights in their annual outing, and Mrs. Price of Columbus, Grand Chief of the Pythian Sisters of Ohio, has been invited to be present.

If the weather man is at all kind the committee feels that anyone attending this picnic will be amply repaid for attending, as everything is being arranged with that end in view.

Staggers Skeptics

That a clean, nice, fragrant compound like Bucklen's Arnica Salve will instantly relieve a bad burn, cut, scald, wound or pimple, staggers skeptics. But great cures prove it a wonderful healer of the worst sores, ulcers, boils, felons, eczema, skin eruptions, as also chapped hands, sprains and corns. Try it. 25c at G. R. Baker & Co., and F. This will mean that each business man should contribute from ten to fifteen dollars a piece. Mr. P. J. Cummings, Mr. C. M. On Monday last while Mr. Hardesty was waiting for his turn at the Fredericktown elevator his team became frightened at an automobile and began to back the wagon load over the steep embankment at that place. The weight of the load pulled the horses down, badly bruising and straining them, breaking up the wagon and spilling out the grain. No one was hurt but this is a warning as to what might happen. The village is liable for damage that may take place there and the town has an ordinance relative to placing guard rails around that portion of the road. This should be done before further damage is done and they should be strong enough that they can hold back anything traveling the road.
